

PRODUCT DATA SHEET

PINK ROSE

Liquid Hand Soap

Gently Cleanses Your Hands

PINK ROSE is a general purpose, pleasantly fragranced, pearlised liquid hand soap for use in the kitchen or bathroom. It will remove dirt and grime from your hands whilst leaving them soft and clean. PINK ROSE is an economical and hygienic alternative to cake soap. PINK ROSE is packed in bulk to further save you money. Dispensers, to control use are also available from B & J Chemicals.

FEATURES:

- Gentle cleansing liquid soap
- Pleasant fragrance

BENEFITS:

- Washes you hands clean without being harsh on your skin
- Great fresh feeling

DIRECTIONS:

Fill hand soap dispenser with PINK ROSE and secure lid. Press button once or twice for desired amount. Agitate hands to produce a foam. Rinse hands with fresh water or wipe with a towel.

ACTIVE INGREDIENTS:

- No Scheduled Ingredients.

* Caution: Care should always be taken when applying a product to a cleaning situation for the first time.

A TIP FROM THE CHEMIST

When washing your hands, wash them thoroughly and get the benefits. A study has shown that good washing techniques produces virtually the same level of bacteria control as does washing with a disinfectant.
