

PRODUCT DATA SHEET

AIR FRESHNER

Lemon Anti-Tobacco

Freshens and Re-odourisers the Air

AIR FRESHNER Lemon aggressively eliminates odour causing bacteria and reodourises with its powerful perfumes. AIR FRESHNER Lemon also contains an in-built anti-tobacco agent to neutralise the effects of smoke, tobacco and other difficult and unpleasant odours including urine. AIR FRESHNER Lemon deodouriser and reodouriser has a built in sanitiser which kills odour causing air bourn bacteria and leaves a pleasant long lasting fragrance. Just a few sprays of AIR FRESHNER Lemon will freshen stale air areas for hours. AIR FRESHNER Lemon is suitable for deodourising and reodourising air in hotel and motel rooms, kitchens, bathrooms, toilets, conference rooms, dining rooms, bar areas, wastage disposal areas and garbage bins. AIR FRESHNER Lemon is also a cleaner and may be used as surface spray and a floor cleaner disinfectant. Use AIR FRESHNER Lemon in bathrooms on benches, basins and floors to clean, disinfect and reodourise.

Rust, Iron, Scale				√

* Caution: Care should always be taken when applying a product to a cleaning situation for the first time.

A TIP FROM THE CHEMIST

Air Freshners like Air Freshner Lemon are very effective for the long term when a small amount is left on surface, so it can slowly emit the fragrances. Apply this discretely, to avoid stickness where you don't want it.
