AIR INTENSE

Air Deodouriser - Cherry Intense Fragrance

Freshens and Re-odourisers the Air

AIR INTENSE - Cherry is an intense fragrance structured compound for those times when you need an intense fragrance. A fragrance that gets attention and lasts a long time. AIR INTENSE - Cherry is a deodouriser and reodouriser has a built in sanitiser which kills odour causing air bourn bacteria and leaves a pleasant long lasting fragrance. Just a few sprays of AIR INTENSE - Cherry will freshen stale air areas for hours. AIR INTENSE - Cherry is suitable for deodourising and reodourising air in hotel and motel rooms, kitchens, bathrooms, toilets, conference rooms, dining rooms, bar areas, wastage disposal areas and garbage bins. AIR INTENSE - Cherry is also a cleaner and may be used as surface spray and a floor cleaner disinfectant. Use AIR INTENSE - Cherry in bathrooms on benches, basins and floors to clean, disinfect and reodourise.

Rust, Iron, Scale				√

* Caution: Care should always be taken when applying a product to a cleaning situation for the first time.

A TIP FROM THE CHEMIST

Air Freshners like AIR INTENSE - Cherry are very effective for the long term when a small amount is left on surface, so it can slowly emit the fragrances. Apply this discretely, to avoid stickiness where you don't want it.
