FLOOR CARE

SOLUTION - 5

High Active Emulsion for Sealed Floors

Emulsifies heavy Grease, Grime & Oil on Sealed Floors

Rid your floors of high levels of grease and grime whilst protecting the integrity of the seal. SOLUTION - 5 has been formulated to actively emulsify extremely high levels of soiling from sealed floors. Cleaning your floors with SOLUTION - 5 will actively lift the grime from the floor ready to be rinsed or mopped away. All this will be achieved without causing damage or stripping to the sealed surface beneath. The advantage of using SOLUTION - 5 on sealed floors is that when you maintain the integrity of the seal you will ensure long - term ease of cleaning of that floor. SOLUTION - 5 is suited to all metal-linked polymer seals, acrylic, resin and epoxy resin seals. It is also suitable for use on wide range of painted surfaces.

FEATURES:

- Highly active detergent formulation
- pH controlled

BENEFITS:

- Outstanding grease, grime and oil lifting qualities
- Non strip floor protection

DIRECTIONS:

Mopping: Dilute 1 part SOLUTION - 5 with 120 parts warm water in a mop bucket. Mop floor. For best results in heavily soiled areas increase rate to 1 part SOLUTION - 5 to 80 parts water. Generously spread solution around floor mopping to break down grime. Rinse mop with hot fresh water leaving a streak-free finish with no residue.

ACTIVE INGREDIENTS:

- No Scheduled Ingredients

QUANTITY AVAILABLE and PRODUCT CODE:

- 5 Litre 4021205
- 25 Litre 4021204

CHEMICAL HAZARD STATUS:

- Mildly Alkaline – Product is below pH 9.0. It may cause some irritation.

Dye, colours			√	
Mould & Mildew		√		
Food & Drinks	√			
Oil, Grease, Fat, & Ink	√			
Rust, Iron, Scale		√		

* Caution: Care should always be taken when applying a product to a cleaning situation for the first time.

A TIP FROM THE CHEMIST

Unlike harsh degreasers which strip the grease off, SOLUTION-5 emulsifies and lifts it from floors, giving great results without damaging the surface. To ensure maximum results make sure you activate the bubbles to lift the grease and rinse the floor off for a streak free result.
