## BIOTOL

### Ammoniated Cleaning Power

#### Foaming Detergent that Dissolves Grease and Grime

BIOTOL is an ammoniated concentrated detergent that is hard working and high foaming for great results in general cleaning and floor cleaning applications. BIOTOL utilises the active ingredient, ammonia to cut grease and grime from floors, benches, pots and pans, stoves and walls. The detergents and ammonia will produce wonderfully clean results in kitchens, bathrooms, toilets, workshops, garages, dining rooms and factories.

#### FEATURES:

- Ammoniated
- High Detergency

#### BENEFITS:

- Grease cutting power
- Great dirt lifting capacity

#### DIRECTIONS:

##### Floors and General Cleaning:

Dilute BIOTOL 1 part to 100 parts water. Use in a mop bucket for cleaning floors or in a bucket with a sponge or cloth as a general cleaner. Increase concentration as needed.

##### Spot Cleaner and Spray and Wipe:

Dilute BIOTOL 1 part with up to 10 parts water (can be used neat). Apply to dirty area with a squeeze bottle or trigger spray and scrub. Rinse with water. Repeat process if necessary.

#### ACTIVE INGREDIENTS:

- 45g/L Aqua Ammonia.

#### QUANTITY AVAILABLE and PRODUCT CODE:

- 5 Litre 4031016
- 25 Litre 4031015

#### CHEMICAL HAZARD STATUS:

- Alkaline – Product is above pH 9.5. It may cause irritation or burning.

Mould & Mildew		√		
Food & Drinks	√			
Oil, Grease, Fat, & Ink	√			
Rust, Iron, Scale			√	

\* Caution: Care should always be taken when applying a product to a cleaning situation for the first time.

#### A TIP FROM THE CHEMIST

Biotol performs best when the detergent is activated and the foam levels built to release the dirt. It is also helpful to rinse well, or squeegee dry, after use to reduce streaking and resoiling.
