

PRODUCT DATA SHEET

DRAIN CLEAR

Un-Blocks Drains

Clears Drains of Small Roots, Hair, and Paper.

DRAIN CLEAR will remove all fibrous matter, hair, paper, plastic, tree roots, and cotton from blocked drains to leave them clean. When you use DRAIN CLEAR drains will no longer smell and hold harmful odour causing bacteria. DRAIN CLEAR is great for clear blockages in most drains however it is not recommended for use in drains where a lot of oil or fat has been deposited.

FEATURES:

- Hard working matter digestion power

BENEFITS:

- Rids drains of foreign matter and frees them up

DIRECTIONS:

Read Safety Instructions.

When drain water level is as low as possible and as still as possible pour between 250mls and 500mls of DRAIN CLEAR down drain and a few minutes to work on blockage. After three to five minutes, flush drain clear through with a slug of water to push down drain and remove digested blockage and free drain. Repeat process if necessary.

ACTIVE INGREDIENTS:

- 1680g/L Sulphuric Acid.

QUANTITY AVAILABLE and PRODUCT CODE:

- 5 Litre 4041019
- 1 Litre 4041017

CHEMICAL HAZARD STATUS:

- Acid – Product has a pH of less than 5.5, it will cause irritation and burning.

Mould & Mildew			√	
Food & Drinks	√			
Oil, Grease, Fat, & Ink			√	
Rust, Iron, Scale	√			

* Caution: Care should always be taken when applying a product to a cleaning situation for the first time.

A TIP FROM THE CHEMIST

Drain Clear is particularly suited to removing paper, small roots, hair and other fibrous material from drains. It is not suitable for fatty or oily substances, like the type of blockage that would typically find in a kitchen drain. If you have this type of blockage use Drain Free.
