COMPLETE DRY

Powdered Detergent Rinse in One

Produces a Perfect Clean and a Streak-Free Result

COMPLETE DRY all-in-one liquid dishwasher detergent, is a chlorinated ware-washing powdered detergent which removes the toughest of food grime including tea and coffee stains and leaves the dishes shining. COMPLETE DRY's built in scale inhibitor and shedding agents makes a great scale-resistant product. De-scaling should almost be a thing of the past. COMPLETE DRY will also perform extremely well as a stand alone product. It has great fast-drying, streak-free qualities. COMPLETE DRY is suitable for all kitchen dishwashing applications from the smallest of manual feed domestic machines right through to the largest automatic feed commercial machines. COMPLETE DRY is formulated to aggressively clean without causing corrosion to machinery or leaving residual detergents on the dishes. A great performing product by itself COMPLETE DRY can deliver even better results in your dishwashing programme with the use of RINSE AID.

A TIP FROM THE CHEMIST

Complete Dry is the complete solution when it comes to automatic dishwashers. When used in areas where there are high levels of scale in the water Complete Dry will shed the scale and not allow it to deposit onto the surface of the dishes or the dishwasher.
