## COMPLETE

### Detergent Rinse in One

#### Produces a Perfect Clean and a Streak-Free Result

COMPLETE, all-in-one liquid dishwasher detergent, is a chlorinated ware-washing detergent which removes the toughest of food grime including tea and coffee stains and leaves the dishes shining. COMPLETE's built in scale inhibitor and shedding agents makes a great scale-resistant product. De-scaling should almost be a thing of the past. COMPLETE will also perform extremely well as a stand alone product. It has great fast-drying, streak-free qualities. COMPLETE is suitable for all kitchen dishwashing applications from the smallest of manual feed domestic machines right through to the largest automatic feed commercial machines. COMPLETE is formulated to aggressively clean without causing corrosion to machinery or leaving residual detergents on the dishes. A great performing product by itself COMPLETE can deliver even better results in your dishwashing programme with the use of Desert Springs Australian SHEEN.

#### FEATURES:

- Aggressive Cleaners
- Rinsing and Shedding componentry

#### BENEFITS:

- Fantastic cleaning power
- Streak-free and fast drying finish

#### DIRECTIONS:

##### Manual Feed

For a 30 litre tank add 140ml of COMPLETE to the tank for the initial start-up. Every three to four loads thereafter add approximately 30ml. This rate will vary greatly depending on the size of loads and the amount of soiling on the dishes. For different size solution tanks adjust detergent rate proportionally.

##### Automatic Feed

COMPLETE is ideal for automatic feed peristaltic pumps systems. Please contact your Desert Springs Australian Cleaning Solutions representative for installation.

#### ACTIVE INGREDIENTS:

- 150g/L Potassium hydroxide
- 20g/L Available chlorine present as sodium hypochlorite

#### QUANTITY AVAILABLE and PRODUCT CODE:

- |            |         |             |          |
|------------|---------|-------------|----------|
| • 5 Litre  | 4041010 | • 15 Litre  | 40410095 |
| • 25 Litre | 4041009 | • 200 Litre | 40410105 |

#### CHEMICAL HAZARD STATUS:

- Alkaline – Product is above pH 9.5. It may cause irritation or burning.

Mould & Mildew	√			
Food & Drinks	√			
Oil, Grease, Fat, & Ink	√			
Rust, Iron, Scale	√			

\* Caution: Care should always be taken when applying a product to a cleaning situation for the first time.

#### A TIP FROM THE CHEMIST

Complete is the complete solution when it comes to automatic dishwashers. When used in areas where there are high levels of scale in the water Complete will shed the scale and not allow it to deposit onto the surface of the dishes or the dishwasher.
