

PRODUCT DATA SHEET

DISHWASHER DUAL

Detergent Rinse in One

Produces a Perfect Clean and a Streak-Free Result

DISHWASHER DUAL, all-in-one liquid dishwasher detergent, is a chlorinated ware-washing detergent which removes the toughest of food grime including tea and coffee stains and leaves the dishes shining. DISHWASHER DUAL's built in scale inhibitor and shedding agents makes a great scale-resistant product. De-scaling should almost be a thing of the past. DISHWASHER DUAL will also perform extremely well as a stand alone product. It has great fast-drying, streak-free qualities. DISHWASHER DUAL is suitable for all kitchen dishwashing applications from the smallest of manual feed domestic machines right through to the largest automatic feed commercial machines. DISHWASHER DUAL is formulated to aggressively clean without causing corrosion to machinery or leaving residual detergents on the dishes. A great performing product by itself DISHWASHER DUAL can deliver even better results in your dishwashing programme with the use of RINSE AID.

FEATURES:

- Aggressive Cleaners
- Rinsing and Shedding componentry

BENEFITS:

- Fantastic cleaning power
- Streak-free and fast drying finish

DIRECTIONS:

Manual Feed

For a 30 litre tank add 140ml of DISHWASHER DUAL to the tank for the initial start-up. Every three to four loads thereafter add approximately 30ml. This rate will vary greatly depending on the size of loads and the amount of soiling on the dishes.

For different size solution tanks adjust detergent rate proportionally.

Automatic Feed

DISHWASHER DUAL is ideal for automatic feed peristaltic pumps systems. Please contact your B & J Chemicals representative for installation.

ACTIVE INGREDIENTS:

- 150g/L Potassium hydroxide
- 20g/L Available chlorine present as sodium hypochlorite

QUANTITY AVAILABLE and PRODUCT CODE:

- | | | | |
|------------|---------|-------------|----------|
| • 5 Litre | 5841010 | • 25 Litre | 58410095 |
| • 15 Litre | 5841009 | • 200 Litre | 58410105 |

CHEMICAL HAZARD STATUS:

- Alkaline – Product is above pH 9.5. It may cause irritation or burning.

Mould & Mildew	√			
Food & Drinks	√			
Oil, Grease, Fat, & Ink	√			
Rust, Iron, Scale	√			

* Caution: Care should always be taken when applying a product to a cleaning situation for the first time.

A TIP FROM THE CHEMIST

Dishwasher Dual is the complete solution when it comes to automatic dishwashers. When used in areas where there are high levels of scale in the water Dishwasher Dual will shed the scale and not allow it to deposit onto the surface of the dishes or the dishwasher.
