LE CAFE LIQUID

Coffee Machine Cleanser Liquid

Cleans, Sanitises and De-scales Coffee Machines

LE CAFE LIQUID is a dynamic espresso coffee machine cleansing liquid that will give your coffee machine a thorough clean, leaving it residual free and ready to produce fresh coffee. This hard working formulation quickly attacks and removes the built-up scale and grime that collects inside the espresso coffee machine. Maintaining your machines internal cleanliness will give you a more efficient longer lasting espresso machine. It will also remove any residual compounds that may cause tainting of the coffee.

FEATURES:

- Cleaners and Sanitisers
- Descaling Capability

BENEFITS:

- Fantastic cleaning power and sanitation
- Unblocks pipes and other scale prone areas

DIRECTIONS:

Add 1 part LE CAFE LIQUID to 40 parts potable (drinkable) water. Add the solution to the espresso machine and run through the system, discarding solution when the cycle has been completed. Run another cycle to rinse any residue from machine using potable water and discard. You may wish to repeat process if you have not completely dislodged all the build-up, or if the machine hasn't been cleaned for a while.
