## ADSOFT

### Laundry Softener - Squeaky Clean

#### Conditions and Softens Laundry

ADSOFT Squeaky Clean is a long lasting pleasantly fragranced fabric conditioner designed for use in commercial machines with an automatic dispensing system. ADSOFT Squeaky Clean, with its concentrated level of softeners, has been formulated to, when added to the last rinse of your wash, soften the fabric and sour wash to release the pH and return it to neutral. Your clothes are left soft fresh smelling and will not cause any rashes. ADSOFT Squeaky Clean's perfume is pleasant and fresh and will last through the rigours of hot mechanical drying.

#### A TIP FROM THE CHEMIST

Adsoft Squeeky Clean is a specially formulated product that is designed to work both in the rinse water and as a residual forming product. To maximise its performance it must be added to the final rinse of the wash cycle. This is done so as to ensure that it is not interfered with by laundry detergents.
