

PRODUCT DATA SHEET

FABBO

Laundry Softener

Conditions and Softens Laundry

FABBO is a long lasting pleasantly fragranced fabric conditioner designed for use in commercial machines with an automatic dispensing system. FABBO has been formulated to, when added to the last rinse of your wash, soften the fabric and sour wash to release the pH and return it to neutral. Your clothes are left soft fresh smelling and will not cause any rashes. FABBO's perfume is concentrated and will last through the rigours of hot mechanical drying.

FEATURES:

- Fabric conditioning agents
- Pleasantly fragrance perfume

BENEFITS:

- Soft and conditioned fabric
- Long lasting freshly fragranced laundry

DIRECTIONS:

Add Add FABBO to the final rinse.

Domestic Machines:
Use 30ml FABBO per load.

Commercial Machines:
Add 3-5mls per kilo of laundry. Increase slightly for hard water. Do not to use too much conditioner. Talk to your Desert Springs representative about correct application and dispenser set-up.

ACTIVE INGREDIENTS:

- No Scheduled Ingredients

QUANTITY AVAILABLE and PRODUCT CODE:

- | | | | |
|------------|----------|-------------|----------|
| • 25 Litre | 4061016 | • 200 Litre | 40610171 |
| • 15 Litre | 40610165 | • 5 Litre | 4061017 |

CHEMICAL HAZARD STATUS:

Rust, Iron, Scale		√		

* Caution: Care should always be taken when applying a product to a cleaning situation for the first time.

A TIP FROM THE CHEMIST

Fabbo is a specially formulated product that is designed to work both in the rinse water and as a residual forming product. To maximise its performance it must be added to the final rinse of the wash cycle. This is done so as to ensure that it is not interfered with by laundry detergents.
