LAUNDRY

GT-BREAKWASH

Laundry Break

Breaks Grease and Heavy Soiling

GT-BREAKWASH is a premium liquid laundry pre-wash break. It is an high performance liquid laundry cleaner that will unlock heavily soiled garments, particularly those with lots of grease. It is designed specifically for use in commercial laundry machines with automatic dispensing systems. GT-BREAKWASH is usually used in the hot pre-wash cycle but can also be used in the main wash. It suitable for most types of laundry that requires a heavy cleaning action to get clean. Being a liquid you will not have any undesirable undissolved powder problems, GT-BREAKWASH dissolves easily for fast performance. GT-BREAKWASH has the power to perform with excellent results in commercial laundries. Its powerful cleaners and degreasers will readily emulsify soiling in the wash and give you the best results with your laundry every time. Whites and coloureds with be left smelling fresh and clean.

FEATURES:

- Heavy duty cleaning agents
- Grease cutting agents
