

PRODUCT DATA SHEET

LAUNDRY

ONE

Mult-Enzyme Powered Concentrated Laundry Detergent

Cleans, Brightens, Sanitises and Softens In ONE

ONE is a laundry powdered detergent of incredible diversity. ONE is a compact highly active laundry detergent which cleverly combines a powerful package of active ingredients including several enzymes into one formulation which synergises to yield a powerful yet gentle clean. ONE all-in-one laundry powder will aggressively attack dirt, grime, oil stains, food and beverage stains, animal fats, protein stains, ink and many more with ease. It will then, using its added oxygen, release a purging shot of colour safe brightening power to bring the best out of your fabrics, both coloured and whites. Finally, the pH controlled power of this product is brought into action to treat the fabric gently throughout the wash cycle and leave the fabric soft.

FEATURES:

- Hard working cleansers, including enzymes
- Oxygen, safety bleach
- Softening agents

BENEFITS:

- Clean laundry even heavily soiled laundry without damaging fabric
- Safe but powerful, brightening of coloureds and whites
- Soft fresh clean fabric

Mould & Mildew	√			
Food & Drinks	√			
Oil, Grease, Fat, & Ink	√			
Rust, Iron, Scale			√	

* Caution: Care should always be taken when applying a product to a cleaning situation for the first time.

A TIP FROM THE CHEMIST

When laundering with powders always pre-dissolve them. Whilst One will work okay in cold water, all laundry detergents work best in warmer water. Also, for best results be careful not to overload the washing machine.
